

Making Health & Safety Work for You

Safety in a Box

OSSA's new web-based health & safety content program provides ongoing, downloadable health and safety material to make safety live in your workplace:

- * Helps your business support its health & safety program without having to develop and build content
- * Allows you to focus your resources on implementation
- * Stop injuries before they happen
- * Online downloadable content available via low-cost annual subscription
- * New timely & relevant materials uploaded quarterly
- * In-depth, expert ready-to-go health & safety topics and materials

Developed by the Ontario Service Safety Alliance (OSSA), Safety in a Box provides you with the online safety solution you've been looking for.

Why reinvent the wheel? Use Safety in a Box!

Safety in a Box makes bringing current, topical and relevant safety content into your company program easy and economical.

Safety in a Box includes:

- * One user ID with unlimited download access
- * New topic updates every three months (January, April, July, October)
- * Comprehensive guide to using all Safety in a Box resources including:
 - o Safety Talks
 - o Observation checklists
 - o Customizable posters
 - o Newsletter articles
 - o Recognition certificates
 - o Other resources
